Homework Week 1 - Due Monday of Week 3

INSTRUCTIONS

- Create a definition statement / question for your DAP Capstone example:
 - I want to build a data analysis that answers the following question about (insert some or other subject here): My question is this ...(insert your question here ...).
- Write a Definition of the Audience / type of personas that might be interested in this analysis
- What datasets do I need to help me answer the above question for my particular audience? (1000 cells min)
- Choose any publicly Internet-available dataset(s)
- What research do I need to do to find data sources for my Capstone?
- List resources researched: (links to websites / materials)
- Note what you like about each resource and why you chose it
- Name other reference sources you want to consult

What question is your data going to solve?

Does parental
leave help the
economy?

Definition of your audience

Current
workers in
low-income
households.

Potential
parents

New
Parents

What datasets do I need?

Parental
Leave
Policies

Best Cities
for families
